

EAGLES RESERVE

NEW PAINT COLOR SCHEME

The new paint scheme for all the buildings in Eagles Reserve was developed by the Sherwin Williams Professional Design Team along with the Board of Directors. The scheme selected is designed to update the curb appeal of the community with modern colors that are aesthetically pleasing.

The Three (3) Building Body colors are:

1...SHIITAKE 2...SILVERMIST 3...TAVERN TAUPE

Building Trim: Color :

1... GREEK VILLA

The buildings main body and bump-outs will be painted with 1 of the 3 colors, Shiitake, Silvermist or Tavern Taupe.

All trim on the building, garage doors and entry doors will be painted Greek Villa.

The colors for each building will be painted according to the paint scheme and will vary as designed.

*** Note, photos, or scanned documents on the website do not exactly reflect the actual paint colors due to distortion by monitors and the scanning process.
