While our beautiful new paint job should last for years we all know that “Stuff” happens and should you ever need touch-up paint Sherwin Williams has given us a color specification sheet listing all the colors and formulas for an exact match and it’s posted on our web site (eaglesreserve.info). The two closest SW stores one at 580 and Hwy 19 and the new one on Tampa Road in Oldsmar have our 40% discount preloaded in their computers for the listed products. It is highly recommended that you make a copy of the specification sheet and take it with you when you go to the store or you could take a picture of the computer screen with your phone.
