

Political Signs

At the November 13, 2012 meeting of the Eagles Reserve Board of Directors, a motion was made by Judy Isaly to allow one political sign, up to 18 by 24 inches, to be placed in a resident's yard 30 days prior to any election where the polls will be open in Pinellas County. The signs must be removed within 24 hours of the polls closing. Further, security signs placed by manufacturers that state that your house is protected by them are exempt from 6.21 of the HOA Covenants and Restrictions. Second by Bill Hussey...Motion Carried.
