EXTRA No. 1

Boot Ranch Blvd South to Be Closed For Trail Construction

Boot Ranch Blvd South will be closed at East Lake Road beginning Monday, April 18th.

The closing is necessary to enable the rerouting of gas, water, and sewer lines necessary for construction of the Pinellas Trail.

Brian Mowry, Sr. Dept. Administrative Manager, Pinellas County Construction Management Division, indicates the road will be **closed for about a week**.

It will be necessary for vehicles to use Seagull Drive or Boot Ranch Blvd North via Stable Trail to detour around the construction. Both sides of Boot Ranch Blvd South will be closed.

Frontage Construction

The major construction on the east side of the trail in front of Boot Ranch North is necessary to meet new environmental rules and regulations that require storm water to be mitigated before flowing into lakes.
